

223 REM 69gr Sierra® MatchKing®

Designed for service rifle competition in M16A2/AR15-A2, the Sierra® MatchKing® bullets have set an incredible number of new national records. This projectile is well known for its excellent accuracy at 200-300 yards. MatchKings® give you the opportunity to squeeze every bit of accuracy out of your firearm. However, even with its pinpoint accuracy we don't recommend hunting with MatchKing® bullets.

THE TIME PROVEN COMPETITIVE EDGE

The Gorilla Ammunition® 223 REM ammunition is one of the best choices for getting Match Grade performance out of your firearm. All of our loads have been meticulously developed for exceptional accuracy and reliability you can count on.

Gorilla Ammunition® is dedicated to manufacturing ammunition for the most popular modern rifles and pistols on the market today. We optimize our loads to be consistent and accurate out of America's most popular firearms to ensure you get the absolute best possible product to defend yourself or achieve your best in shooting competitions. Gorilla Ammunition's commitment to constant product innovation and steady improvements to the manufacturing process establishes us as the modern ammunition leader.
